

IMMUNIZATION OF STUDENTS

All students who enroll in MSADRSU #22 are required by Maine law to present a certificate of immunization or evidence of immunization or immunity against poliomyelitis, diphtheria, pertussis (whooping cough), tetanus, varicella (Chickenpox), measles, mumps, and rubella.

Non-immunized students shall not be permitted to attend school unless one of the following conditions are met:

A. The parents/guardians provide to the school written assurance that the child will be immunized within 90 days of enrolling in school or his/her first attendance in classes, whichever date is earlier. This option is available only once to each student during their school career; or

B. The parents/guardians provide a physician's written statement each year that immunization against one or more diseases may be medically inadvisable (as defined by law/regulation); or

C. The parents/guardians state in writing each year that immunization ~~is~~ is contrary to their religious, moral, or philosophical beliefs, or other personal reasons.

The Superintendent shall exclude from school any student when there is a clear danger to the health of others as provided by law.
