The Superintendent shall make arrangements at the employee's request with any accredited college or university for a direct payment, provided a direct payment option is available. This direct payment option is not allowable for the payment of any courses exceeding twelve (12) credit hours per school year. In the event that the tuition cost exceeds the University of Maine tuition rate for undergraduate or graduate credits or if any other related costs exist, such cost shall be the financial responsibility of the employee, not the District.

2. In the event that any employee who has used this direct payment option fails to successfully complete the course(s) or to provide written verification within sixty (60) calendar days of receipt of written notification of satisfactory completion of the course, the educational technician shall reimburse the District the amount of payment made on behalf of the employee. days after the Supervisor's response is due. The Principal or Food Services Director shall respond to the Association or grievant in writing within ten (10) days of receipt of the written grievance.

6. If either party requests that a transcript be made of an arbitration hearing, such transcript shall constitute the only official record of the hearing. The party causing such transcript to be made shall pay the costs involved and furnish the arbitrator with a copy. If the

opposite party requests a copy of the transcript, it shall pay the costs to have such transcript made.

7. The election to submit the issue(s) of a grievance to any other forum shall be a waiver to submit such issue(s) to arbitration.

8. A grievance shall be initiated at the lowest step where a remedy can be granted.

ARTICLE 28 - SEPARABILITY

A. In the event that any provision of this Agreement is found to be in conflict with any state, federal or other applicable law, such law(s) shall prevail and such provision of the Agreement shall be considered invalid and void. Such invalidity shall not affect the validity of remaining provisions of the Agreement, which shall remain in full force and effect. Negotiations on the provision(s) found invalid shall commence within ten (10) days of written request by either party.

ARTICLE 29 - DURATION

A. The parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement, and that no additional negotiations on this Agreement shall be conducted on any item, whether contained herein or not except by mutual written agreement.
