

GOAL 3: ENSURE EFFECTIVE GOVERNANCE TO ACHIEVE MISSION

Action Strategies	Resources Needed	Person(s) Responsible	Timeline	Evidence of Success
Action 1: Research, develop and implement a district-wide school schedule that maximizes individual student engagement and performance	Staff time? Board Ed committee? School Calendar	Superintendent and Board	Start date? Completion date?	School schedule supports identified programming and student needs, and is supported by labor agreements
Action 2: Ensure policies are reviewed on a regular cycle and in accordance with a schedule designed by the Policy Committee. Ensure policies are aligned with standards based education and personalized learning	Policy Committee	Superintendent and Board	?	Policies reviewed and revised to ensure support for achieving action
Action 3: Research and refine a framework for governance that focuses on alignment of best practices and leads to the development of key performance indicators	Staff and Board time	Superintendent and Board	?	Board governance focused on improving individual student engagement and performance
