from 7:00-9:00 am

COST

\$100

Please make checks payable to:
Marissa Shaw

ABOUT the CLINIC

The clinic is for high school field hockey participants. Ten hours of instruction will be provided by Marissa Shaw, Springfield College graduate assistant coach and former UMaine student-athlete, and individualized to meet the needs of HAFH. The following is a message from Marissa Shaw,

My name is Marissa Shaw. I am currently a graduate assistant field hockey coach at Springfield College. I spent the last four years at the University of Maine gaining an education in Exercise Science and was a member of the Women's Field Hockey Team. I have coached a large number of athletes in camps and clinics and have a passion for teaching the game I love! I would love to come to your school and share the knowledge and skills I have learned at UMaine and coaching at Springfield College with your athletes!

I look forward to the opportunity to work with Marissa Shaw for a second year in a row to provide our HAFH student-athletes with a personalized field hockey clinic experience!

EQUIPMENT

Each participant should bring a stick, shin guards, sneakers, mouth guard, sunscreen, goggles and a water bottle.

FACILITIES

The clinic will be conducted at Hampden Academy on the grass field hockey field on the inside of the track.
