The RSU # 22 Board of Directors approved an Athletic Participation Fee due to the rising costs associated with the support of the district's athletic programs and declining resources locally and statewide. The fee is \$50.00 for each student in each sport and it will allow us to continue to offer our co-curricular programs. The fee will be due prior to the first day of practice along with all other forms to include an emergency card, consent form, drug and alcohol policy form and proof of a current sports physical.

### ***NO STUDENT WILL BE DENIED AN OPPORTUNITY TO TRY-OUT BECAUSE OF FINANCIAL HARDSHIP.***
